## TODAY'S READING: 1 CORINTHIANS 15:12-20

*But if it is preached that Christ has been raised from the dead, how can some of you say that there is no resurrection of the dead? If there is no resurrection of the dead, then not even Christ has been raised. And if Christ has not been raised, our preaching is useless and so is your faith. More than that, we are then found to be false witnesses about God, for we have testified about God that He raised Christ from the dead. But He did not raise Him if in fact the dead are not raised. For if the dead are not raised, then Christ has not been raised either.*

*And if Christ has not been raised, your faith is futile; you are still in your sins. Then those also who have fallen asleep in Christ are lost. If only for this life we have hope in Christ, we are of all people most to be pitied. But Christ has indeed been raised from the dead, the firstfruits of those who have fallen asleep.*

## PRAYER MATTERS

Pray for the congregation here at T.T.Gully and all those who have and do give of their talents and love, like the musicians, the data people the cleaners of the church, the coffee makers those who bring us each week those beautiful flowers. For the people in the office and for those who work with the children on a Sunday, and week days. Please re our children work may each person be they in charge or just helpers, give each one the knowledge re doing what the children are interested. Pray for the mothers who come, pray that they will see the love of Jesus shining forth. Pray also for those who go to other churches to share the Word. May they glorify Jesus our Lord. Oh may we all, be yielded to God in the place God has given us.

## PASTORAL CARE 'CRISIS' INFORMATION UPDATE

As part of our ministry, the TTGUC Pastoral Care team contacts members of our congregation to offer pastoral care support in the event of an emergency, whether it is a personal crisis, or a disaster on a community scale. In order to do this more effectively, a few years ago, after the Sampson Flat fires, we offered to keep information for our members of their own contact details and those of their significant others.

Thankfully, we have not had a major disaster since that time, but for some personal crises, these details have been invaluable in offering help. Also, contacts were made to many during our statewide blackout, to check for safety and security.

We think that for some of you, there may now have been some changes to your details, or of your significant others.

*If so, please inform me, Mary, or one of our Task Group - Mary Mangelsdorf, Lorraine Williams, Wendy Harry, Cathie Diprose, Terry & Kay Bourke. Thank you.*

Nearly every day we hear about the farmers struggles to stay on the land. They are struggling to pay their bills, feed their stock and keep their homes. They are struggling financially, physically and emotionally. For years the volunteer program Outback Links, has been connecting skilled volunteers with people in remote Australia, who could use a helping hand. They provide farmers with relief through a community of more than 1,200 volunteers, who donate their skills to do repairs and maintenance on equipment, the home and around the property.

"Hymns of the Forefathers" which is compiled by Christopher -Lawrence and with photography by Wendy McDougall.

They are both Australians. they have travelled together to produce this book (along with a tv series) about the Hymn Writers and their lives. Worship songs included are: "Holy, Holy, Holy", 'Crown Him with Many Crowns', 'The Day Thou Gavest', 'When I Survey the Wondrous Cross' & four others.

There are wonderful pictures, accounts of faithful lives and travellers' experiences. It is a book that "gets you in"!!.
